

Download Summer Camp Lesson Plans For School Age

Summer Camp Fun. Have students solve camp word problems. Here are some examples: Matthew brought 38 hot dogs to roast. There are 18 campers. If each camper has 2 hotdogs, will Matthew have enough to feed everyone? Will he have any left over? (Yes, use division to find out that 38 divided by 18 is 2 R2. There will be two hot dogs left over).

7 Lesson Plans for Summer School Students Teachers are the first line of defense for engaging students academically. Summer school programs often help students develop a better understanding of core academic subjects.

Summer Fun Lesson Plans and Activities Summer is here! "Enlighten" your students with facts about the sun and "heat up" your classroom with fantastic lesson plans and activities that celebrate summer.

Lesson plan modules With these modules, we've done the work for you. Simply find the age group for your children below, and then select the setting where you will deliver the lesson plan unit—school, after-school, summer camp, or preschool.
